

INTRODUCTION

Our speaker today has presented to some of the worlds most effective leaders and business professionals, including Multi- Billion-dollar manufacturers, top financial service providers, and National associations. His clients include: American Express, The Department of Defense, Oracle, Verizon, The NFL, Shell Oil and NASA.

His company Wynn Solutions focuses on research not theory. He has coauthored with Steven Covey and Ken Blanchard and is a weekly contributor to the Washington Post. His top selling book published by McGraw Hill titled “The REAL Truth about Success: What the Top 1% Do Differently and *Why* They Won’t Tell You” is available in bookstores worldwide.

He is a former professional stand-up comedian who has hosted television specials and national radio programs, and a former fortune 500 corporate department head who has developed and marketed products that are still being sold in 30 countries.

Please welcome Garrison Wynn.
